

Construction Projects & Costs

Mission House / San Luis Church

San Luis Floor (Church at the Mission) \$1600- 1800

We are currently changing the roof at the temple area. We would like to lay a tile floor. This area has many different functions and if it were improved we could rent this space for different events.

Painting- \$300: We have replaced some of old paint in certain areas of the house, but there are still several other areas in which it needs to be repainted.

Villa Franca (Church Plant in the city)

Stairs/Pila (Water storage/Sink)-

Children's Classroom-

La Victoria (Church Plant in the South- 2 hours away from city)

Cement Floor for a House- \$350

* We know of three houses that are in need of a cement floor (\$1,000)

Light System- \$250

Digging a Well- \$8,500

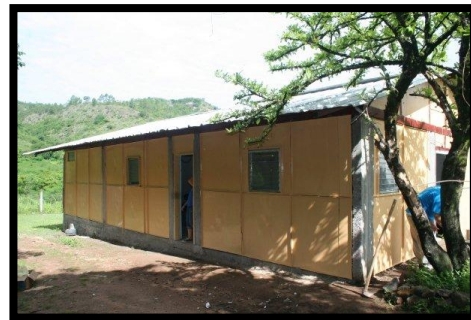

Wooden Benches- \$200

San Lorenzo (Church Plant in South- 2 ½ Hours from city)

Classroom for Children

Pastor's Room-

Restrooms

El Paraiso (Church Plant 1 ½ Hours from city) \$700

Painting-

Building a house - \$1,600- \$1,800

You can build a 12x18 wood house.

Also, there are several families from the church, whose houses need to be repaired. Roof repairs, cement floors, building “pilas” (cement water storages) are the most common.

Elementary Public School at Flor del Campo

Roof for 2 classrooms (\$500 each)

Paint for classrooms -20 (\$180 for 2 classes)

Reaching the Lost!

We encourage teams to gather used clothes, shoes, school material, candy, medicine and toys with their churches and friends to share with the Hondurans. The following are some of the activities that teams can get involved in.

- Visiting different churches inside and out of the city. Teams should prepare Bible lessons, skits games, and crafts to share with the children.
- Praying for the sick at the public hospital and homes. Teams can bring hygiene packets, juice, balloons, coloring books, crayons and small toys for kids.
- Nursing homes sharing devotions, singing with them and sharing a meal. Teams can gather over the counter medications, clothes, shoes, hygiene packets, games, Spanish books.
- Teaching Bible lessons at the public schools. Teams can bring candy, small toys, coloring books, school material.
- Preparing a meal and sharing it with the children in Villa Franca. There are about 35 kids enrolled in our feeding program. We feed them once a week.
- Spanish Bibles- we are always in need of Spanish bibles to hand out.
- House Calling. Be prepared to give your testimony or a few encouraging scripture verses.
